Gennadiy Gaysha

Java & Full Stack Software Developer
Chemnitz, Saxony, Germany

Summary

Junior Java Developer with a diploma in Full Stack Software Development from the Code Institute (Level 5 in the EQF). I have solid knowledge of Java and am an Oracle Certified Associate, Java SE 8 Programmer. Currently, I am expanding my skills in web technologies such as Spring Boot and Hibernate and have already developed my own applications.

Additionally, I have experience in Full Stack Software Development with Python, JavaScript, and related frameworks such as Django, React, Bootstrap, and Tailwind. My goal is to further develop as a Java Developer and advance my career in this field.
